The California Insurance Code requires an insurer to provide uninsured motorists coverage in each bodily injury liability policy it issues covering liability arising out of the ownership, maintenance, or use of a motor vehicle. Those provisions also permit the insurer and the applicant to delete such coverage completely or to delete such coverage when a motor vehicle is operated by a natural person or persons designated by name. Uninsured Motorists coverage insures the insured, his or her heirs, or legal representatives for all sums within the limits established by law, which the person or persons are legally entitled to recover as damages for bodily injury, including any resulting sickness, disease, or death, to the insured from the owner or operator of an uninsured motor vehicle not owned or operated by the insured or a resident of the same household. An uninsured motor vehicle includes an underinsured motor vehicle as defined in subdivision (p) of section 11580.2 of the Insurance Code.

**DELETION AGREEMENT**

Pursuant to the authority of the California Insurance Code, the undersigned, a named insured in the policy, and the company providing the insurance agree to the deletion of all coverage and obligation to defend, and including specifically uninsured motorists coverage as described above. The undersigned further agrees to reimburse the company providing the insurance for any payment made to a loss payee because of a loss arising from the use or operation of any vehicle by any person designated by name above.

The deletion shall be binding upon every insured to whom such policy or endorsement provisions apply while such policy is in force, and shall continue to be so binding with respect to any continuation, renewal or replacement of such policy by the named insured, or with respect to reinstatement of such policy within 60 days of any lapse thereof. **DO NOT SIGN THIS AGREEMENT UNTIL YOU READ AND UNDERSTAND IT.**
