

We are providing a list which contains the name of every Registered Auto Body Repair Shop in your County. Massachusetts Law requires that all repair shops be registered. An insurance company cannot pay for any repair work done by an illegal unregistered shop.

We have highlighted and bolded all the **MAPFRE CAR|EZ Express Repair Shops** on the list. We have also underlined and placed an asterisk next to all the MAPFRE Preferred Repair Shops on the list. These CAR|EZ Express Repair Shops and Preferred Repair Shops have an agreement with us to perform the repair work listed on our appraisal for the amount we pay you plus that part of the damage for which you are responsible (your deductible). We will guarantee the quality of repairs done by a **MAPFRE CAR|EZ Express Repair Shop** and a **MAPFRE Preferred Repair Shop**. You are not required to use any of these shops. You may go to any repair shop on this list. We will negotiate with that registered repair shop, but we cannot promise that we will pay the difference between our check plus your deductible and the amount the shop charges to repair your auto. If your vehicle is declared a total loss we also cannot promise payment of all storage charges and other associated expenses incurred at a Non-Preferred or Non-CAR/EZ shop. We do not guarantee the quality of repairs at other shops, but a registered shop has posted a bond for the protection of its judgment creditors and may provide you with its own warranty.

We will give you the list of Registered Repair Shops in other counties at your request.

*Remember, when you choose a **MAPFRE CAR|EZ Express Repair Shop** or **MAPFRE Preferred Repair Shop** to repair your vehicle, the workmanship is guaranteed by both the body shop and MAPFRE Insurance.

Thank you for giving us the opportunity to serve you.
